Re: Ex Parte Notice
Docket Nos. 05-220 and 05-221

Dear Ms. Dortch:

On September 16, 2005, Robert H. Brumley, President and Chief Executive Officer of TerreStar Networks, Inc., Jonathan D. Blake, TerreStar's counsel, Amy Mehlman and Al Mottur, consultants to TerreStar, and Henry Goldberg, counsel to Motient, majority owner of TerreStar, met with Commissioner Jonathan S. Adelstein and Barry Ohlson, his legal advisor, Emily Willeford and Fred Campbell, legal advisors to Chairman Martin, John Guisti, legal advisor to Commissioner Copps and John Branscome, legal advisor to Commissioner Abernathy. The discussion addressed issues relating to the 2 GHz band and specifically the questions regarding spectrum give-back that were posed in the above two proceedings. The principal purpose of the meetings was for Mr. Brumley to introduce himself as TerreStar's new President and Chief Executive Officer and to describe his vision for and commitment to TerreStar's MSS service plans for which a 2x10 MHz spectrum assignment is necessary, despite opposition from various parties.

Respectfully submitted,

Jonathan D. Blake
Counsel for TerreStar Networks, Inc.
